Annual Pool Maintenance Closures for 2024

Pools require annual maintenance to extend the life of the facilities and to minimize unexpected closures.

We schedule planned, temporary closures of the pools and wet areas to complete this work each year.

The annual maintenance closures at SCRD pools are scheduled so that only one pool is closed while the other two pools are open and available.

Monthly Passes During Pool Maintenance Closures

Plan ahead! Passes are not refundable.

There will be two pools and at least two weight rooms open during scheduled maintenance closures so you can keep using your MYPASS for swimming and fitness classes.

However, if you only use it at one specific facility, keep the following dates in mind:

Gibsons Pool:

The facility will be CLOSED between July 1 and 21, re-opening on July 22.

Pender Harbour Aquatic & Fitness Centre:

Start date expected to be late July/early August to September 2, re-opening on September 3.

The precise start date of the closure will be confirmed by the end of April.

Once the start date is confirmed, we will update the public.
