Annual Pool Maintenance Closures for 2024

Pools require annual maintenance to extend the life of the facilities and to minimize unexpected closures.

We schedule planned, temporary closures of the pools and wet areas to complete this work each year.

The annual maintenance closures at SCRD pools are scheduled so that only one pool is closed while the other two pools are open and available.

Monthly Passes During Pool Maintenance Closures

Plan ahead! Passes are not refundable.

There will be two pools and at least two weight rooms open during scheduled maintenance closures so you can keep using your MYPASS for swimming and fitness classes.

However, if you only use it at one specific facility, keep the following dates in mind:

Sechelt Aquatic Centre:

The entire facility will be CLOSED starting May 26 to July 1, re-opening on July 2.

This year, the long-awaited replacement of the fire suppression sprinklers at Sechelt Aquatic Centre will be completed.

To get this important work done, the entire facility, including the weight room and fitness studio will be closed.
