## **Aquatic Fitness Drop-in**

### **Aquafit**

#### **For ages 13+ years**

Exercising in water provides a full body workout with a focus on core stability and strength, enhanced cardiovascular training, muscle strength and endurance and flexibility. The magic properties of water create an environment that is accommodating to any fitness level. You are welcome to stay in shallow/chest deep water if you would prefer.

### **Land Meets Water**

30 minutes of mild stretching, flexibility, range of motion, balance, postural and muscular exercises are performed on land (on mats) with music followed by 30 minutes of exercise in water with music. Low impact movement with endurance, strength, cardiovascular and flexibility components. An ideal class for older adults.
