Meeting Date:

Applicant Declaration:

I/we acknowledge that the Sunshine Coast Regional District, and its officers and employees, have not made any representation as to the property uses permitted if this application is successful.

I/we am/are aware that, regardless of discussions with or representations by Sunshine Coast Regional District officials or employees, payment of the application fee does not guarantee or constitute a favourable decision of the Board of Variance and that the application may not proceed for a variety of reasons.

I/we declare that all statements made on this application, and all statements made in support of this application, are true. I/we agree to comply with all provisions of the respective zoning bylaw, official community plan and any other applicable provincial legislation.

The personal information you provide on this form is being collected under the authority of Section 895 of the *Local Government Act* and Section 32 of the *Freedom of Information and Protection of Privacy Act*. This information will be used to issue an order of the Board of Variance and for enforcement of applicable laws. This information may be circulated to persons or authorities as necessary for the review process. Your personal information is protected by the privacy provisions of the *Freedom of Information and Protection of Privacy Act*. If you have any questions about the collection of this information please contact the Information and Privacy Coordinator, 1975 Field Road, Sechelt, British Columbia, V0N 3A1, (604) 885-2261.

Required Documentation:

Please check (✓) below. In order to process your application to the Board of Variance, the application must be accompanied by the following:

- If the variance applied for relates to the structural alteration or addition to a non-conforming building or structure, or to the siting, dimensions or size of a building or structure, provide one set of full-size and reduced (8.5" x 11") architectural drawings (1:250 minimum), plus digital copy if available, which may include a scaled site plan, building elevations, building and site sections, and roof plan. Exceptions to specific architectural drawings may be made, if sufficient information is provided illustrating the nature of the variance requested and its implications on structures, buildings, adjacent land and the natural environment.
- If the variance applied for relates to the siting, dimensions or size of a building or structure or off-street parking stalls, a current BC Land Surveyor's survey certificate or real property report.
- If the variance applied for relates to the cutting or removal of trees, provide a scaled site plan illustrating the location of the tree(s) relative to the property line and other features, information on the species, size and height of the tree(s), including photographs.
- Fee in the amount of \$ _____ made payable to Sunshine Coast Regional District (see fee schedule).
