*Note: Christmas Day there is no collection

Please have your bins out on your collection day by 8:00 a.m.

If you experience a collection issue, please contact Salish Soils at 604-885-5383 or office@salishsoils.com

How to read the calendar

1. Check which day of the week you receive collection and which coloured zone your home is located (map on back of page).
2. Garbage is collected every-other-week according to your coloured zone.
 - a. Example: if you are in the orange coloured collection zone, garbage will be collected on the Tuesdays coloured orange
3. Green bin is collected every week on your collection day of the week.
 - a. Tuesdays - green bins are collected in both blue and orange zones
 - b. Wednesdays - green bins are collected in both green and grey zones
 - c. Thursdays - green bins are collected in both purple and yellow zones
 - d. Fridays - green bins are collected on the grey or non-grey days

Visit www.scrd.ca/curbside-schedule for more information about your collection schedule, to view larger interactive maps or to sign up to receive collection reminders on your phone via the SCRD Collects App.

New to curbside? Wondering about what can go in your green bin? Visit www.scrd.ca/curbside-food for information about what is and is not allowed in your green bin. If you need a green bin, contact infrastructure@scrd.ca

Residents can use compostable plastic bags in the green bin, **IF** it is BPI Certified compostable (logo example on the right). No Exceptions. Do **NOT** use twist ties or rubber bands to close the BPI Bags. Prefer paper to line your bin? Paper is still perfectly acceptable, just no waxed cardboard.
