

SUNSHINE COAST REGIONAL DISTRICT

AMENDMENT NO.#1

Request for Proposal No. 2535004

Environmental Monitoring Services

for Sechelt Landfill and Pender Harbour Transfer Station

Date: February 2, 2026

This addendum forms part of the contract documents and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the tender submission. The following revisions, clarifications, changes, additions, or deletions supersede the information contained in the original documents to the extent referenced and shall become part thereof:

Number of pages including attachments: #1 + excel document

Item No.1 4.4 Water Sampling

Delete:

"The required sample bottles with labels and preservatives will be provided by the Regional District's contracted laboratory"

Add / Replace with:

"The required sample bottles with labels and preservatives will be provided by the Regional District's contracted laboratory. This excludes all other supplies and equipment, including but not limited to bailers, twine, HydraSleeves, pumps, tubing, water quality meters, gas monitoring equipment, and related items. All equipment required for sampling other than what is described above must be provided by the successful Proponent"

Item No.2 Appendix A Pricing

Delete existing schedule and replace with attached updated.

Amendment No.1 is issued prior to receipt of submission and shall form part of the contract documents. The revisions shall clarify the information contained in the original Proposal documents issued on January 9, 2025.
