

## SUNSHINE COAST REGIONAL DISTRICT

Question and Answers #2  
Request for Proposal No. 2322201  
Extreme Heat Plan

**Date: May 31, 2023**

**Item No.1**

**Question:** What does the Regional District consider a "heat map"? What is the mapping deliverable you are looking for?

**Answer:** We are looking for mapping that would identify specific areas on the Sunshine Coast that experience the most extreme heat temperatures for reasons of climate and topography, as well as mapping populations and neighbourhoods disproportionately at risk of extreme heat.

**Item No.2**

**Question:** Are the Districts of Sechelt and Gibsons both partners in this project? In other words, will the heat response plan, mapping and engagement cover these local governments or just the electoral areas?

**Answer:** The plan will cover the District of Sechelt, Town of Gibsons, Shishalh Nation, and all electoral areas.
