Request for Proposal No. 2411002

Content Management Services for SharePoint

Date: March 25, 2024

Item No. 1

Question: I notice filing and tagging emails are not in the current RFP. Will this be a separate RFP most likely, or can this be procured on the side to work alongside the EDRMS?

Answer: We are still exploring options regarding emails and no decision has been made. It is not part of this RFP nor part of the SharePoint migration project.
