

SUNSHINE COAST REGIONAL DISTRICT

AMENDMENT NO.#1

Request for Proposal No. 2437014

Environmental Flow Needs Assessment for Chapman Creek

Date: October 17, 2024

This addendum forms part of the contract documents and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the tender submission. The following revisions, clarifications, changes, additions, or deletions supersede the information contained in the original documents to the extent referenced and shall become part thereof:

Number of pages including attachments: #1

Item No.1 5.1.2 Qualifications

Delete:

"a) Environmental Professional (QEP) that is a Registered Professional Biologist (RPBio) under the College of Applied Biologists."

Replace with:

"a) Environmental Professional (QEP) that is a Registered Professional Biologist (RPBio) under the College of Applied Biologists.

Definition of an QEP: is an individual can serve as a qualified environmental professional for assessment purposes under this regulation if:

1. **Professional Registration:** The individual is registered under the Professional Governance Act as one of the following:
 - Agrologist.
 - Applied science technologist or certified technician.
 - Registered professional biologist or biology technologist.
 - Professional engineer or professional licensee in engineering.
 - Professional forester or registered forest technologist.
 - Professional geoscientist or professional licensee in geoscience.
2. **Good Standing:** The individual must be in good standing with their respective regulatory body.
3. **Professional Conduct:** While conducting the assessment, the individual must:
 1. Work within their area of expertise
 2. Follow the scope of practice for their profession
 3. Adhere to the code of ethics of their regulatory body and be subject to disciplinary action if needed."

Amendment No.1 is issued prior to receipt of submission and shall form part of the contract documents. The revisions shall clarify the information contained in the original Proposal documents issued on September 26, 2024.
