

SUNSHINE COAST REGIONAL DISTRICT

AMENDMENT NO.#2

Request for Proposal No. 2454002

Environmental Studies & Management Planning for Hillside Park

Date: April 2, 2024

This addendum forms part of the contract documents and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the tender submission. The following revisions, clarifications, changes, additions, or deletions supersede the information contained in the original documents to the extent referenced and shall become part thereof:

Number of pages including attachments: #1

Item No.1 Item 3.4.4 Water Sampling, Testing and Analysis – New Item

Please provide hourly rates for various team members that may provide water sampling, testing and analysis for marine and fresh water. The work may include analysis for potential pollutants and contaminants including but not limited to e.g. hydrogen sulfide, asbestos, heavy metals, hydrocarbons, and organic compounds, in relationship to acceptable levels. Potential add-on to make recommendations for ongoing monitoring program for marine and/or fresh water quality.

Amendment No.2 is issued prior to receipt of submission and shall form part of the contract documents. The revisions shall clarify the information contained in the original Proposal documents issued on February 27, 2024.
