

Sunshine Coast Regional District NOTICE OF INTENT TO CONTRACT

Rental of a Generator

No. 2435201

Issue Date: April 25, 2024.

The Sunshine Coast Regional District (Regional District) is hereby giving notice of its intent to extend a contract with Olson Electric Inc for a rental contract for the following service:

The following responsibilities will be within scope of contract:

1. Monthly rental of 20 KW generator(s) to power the Sechelt Landfill.

In 2021 the Regional District commenced the rental of a generator and has spent \$57,747 and wishes to increase the value of the Contract to not exceed \$97,000. This contract will cover the period from October 21, 2021 to May 31, 2025 with the option to extend the contract for one (1) additional six (6) month term, at the Regional District's discretion.

The Regional District has chosen not to tender this contract for the following reasons:

1. A competitive process would interfere with the ability to maintain safety at the site.
2. Additional expenses would be incurred for mobilization and demobilization a replacement generator.
3. Contract is on an interim basis while we wait for a permanent power source and/or funding for the purchase of a generator.

Vendors wishing to object to this decision should contact the procurement services email submissions@scrd.ca **on or before 3:00 p.m. local time on May 6, 2024 presenting specific reasons for their objections.** Vendor ability to offer the same level of service at a lower cost in the same time frame will be the key criteria with regard to the consideration of vendor objections.
